Follow Layout The dog at the left yelped just as the shutter was snapped. Can you close his mouth and make it look right? The dog at the far right whose head is turned is just a little bit lost by fading into the background. Can we do anything to make him stand out a bit stronger?. in fact all three dogs heads are inclined to blend into others bodies. Separate as much as you can. The shadow in the foreground should come out, and the rear end of my coupe should not show.

~~Please~~ Please turn the light to the front as on small print.

SEE TISSUE OVERLAY . YOU WILL NOTE there are two lines across the tissue
this is simply to show you that we want the catch for reproduction you are not to be guided
by the two lines you can crop off either at top or bottom or both just bring into the
picture the Hospital buildings as marked on the tissue overlay.
Where it is necessary to take out the buildings just show as though there was grass there.

Customer has scaled the exact portion of the photograph to be reduced to the $3\frac{1}{2} \times 5\frac{1}{2}$ SIZE OF THE CARD. You will notice that the long edge of the card is to parallel the verticle white line. I say I have scaled the portion to be reproduced exactly, but I may be off a hair or two. If so, the width is the dimension to be considered primarily.

FOLLOW SKETCH MAKING THE FOLLOWING CORRECTIONS:

PLACING OF FEED BAG is okeh as shown but we want to call your attention to the fact that in making up this rough design you have some perfect squares shown. This would be an infringement upon the patent and copyright of the Ralston-Purina Company as no one can use squares on a bag except them. If you will look at the bag we have attached you will see ~~that~~ that there is a break in the red lines, also the corners of the squares have been rounded, and this bag has been copyrighted by our Co.. We call your attention to another error that does not show. There is a flag pole on top of our mill. We would like, by all means, for the United States flag to be shown flying from the top tower. We have sketched it on the outside tissue covering proof just where it is on our Mill. We would like the words on the bag "POULTRY MASH" changed to the word "FEEDS"
